Below the title bar, it shows "0 Donors" and "0 Fans". A navigation menu includes "View", "Edit", "Images/Videos", "Thank Donors", "Share", "Donations", and "Matching Grants". Fundraising Tips

- A personal request works best when asking for donations. Call your potential donors individually, or send each a personalized email.
- Explain why this cause is important to you - your enthusiasm will inspire others to give!
- Encourage family, friends, and other supporters to help you by sharing your fundraiser on Facebook and other social media channels.
- Send a thank you note to your donors. Let them know how much their contribution means to you, and the difference it made in the lives of the girls on the team.
